## God Is Bigger

Sometimes life can get us down  
Things that happen make us frown  
Slip on a banana skin  
Trip and fall into a bin

Sometimes we just wonder 'why'  
Things that happen make us cry  
Get ill or hurt ourselves  
We can always tell each other  
We can always tell each other

*God is bigger*

*God is stronger*

*Than anything that could ever go wrong*

*God is faithful*

*God is loving*

*Working in us to make us like his Son*

Sometimes people make us sad  
And us up or make us mad  
Call us names or pull our hair  
Worry about our underwear

## A New New Day

Thank you Father for today  
Teach me how to choose your way  
Help me lift my eyes to see who you are

You are faithful, always true  
Every good thing comes from you  
Set me in your Word and help me worship you

*It's a new new day to sing your praise  
It's a new new day to walk in your ways  
It's a new new day to make you known  
It's a new new day to see your kingdom grow*

Because you are all I need  
Thank you that you died for me  
Help me know you'll always be here with me

When I am weak but you are strong  
When I stumble you hold on  
Help me turn away from sin and worship you

*It's a new new day...*

## God's People In God's Place

Creation, Adam and Eve and the Fall  
Noah, the flood and the Tower of Babel  
God had a plan, he told Abraham,  
God promised his family would be...

*God's people in God's place, under his rule  
They will know his blessing, his blessing, his blessing  
God's people in God's place, under his rule  
They will know his blessing, his blessing, his blessing*

Abraham, Isaac and Jacob, twelve sons  
Creation are slaves in Egyptian hot sun  
God had a plan, through Moses his man  
rescued them so they could be...

Joshua, conquered the land and moved in  
Judges, showed that they needed a king  
God had a plan, through David his man  
ruled them and made them to be....

Solomon, brought wisdom and blessing but then  
Rebellion, so God punished them  
Cast them away, his prophets proclaimed

# Around The World

Some people believe in him  
Some have never heard of him  
Some think that he's not even real  
Everything was made by him  
Everything was made for him  
He is number one above all things

*All around the world  
All the boys and girls  
People from every tribe and tongue  
Jesus is the Lord of everyone*

When he came into our world  
He dwelled in all his fullness  
In a man, but no-one understood  
They tried to get rid of him  
His death could not hold him in  
As the Lord of life, he is alive!

*All around...*

As the Lord, he is the King  
As the boss, but here's the thing

## s A Light And A Hammer

d the power of the universe in your hand  
d the words that shaped the sky and sea and land  
e King has given words to us, to tell us what he's like  
en up your ears and let his Spirit strike

*It's a light and a hammer*

*It's a fire and a sword*

*It's the voice of our Father*

*The word of the Lord*

*The blade of the Spirit can cut to the soul*

*And God will use it to make us whole*

ar the news of the promised king who came to save  
ar the news of Jesus who rose from the grave  
e King has come to live on earth and rescue us from sin  
en up your mind and let his Spirit in

*It's a light...*

ow the name of Jesus Christ that makes us new  
ow the Son of God, the Word whose word is true  
e King has spoken to us, so there is no place for pride  
gives hearts of flesh and changes us inside

# her, You Are King of Heaven

her, you are King of Heaven and greater than us all  
everything is in your hands from huge right down to small  
sometimes I forget that I can't do things on my own  
please now help me pray to you, and trust in you alone

*It's like an earthworm trying to press-ups*

*Like a potato trying to swim*

*Like a mountain trying to brush its teeth*

*When we don't rely on him.*

*When we pray we trust our Father,*

*That's what Jesus said*

*So I'll stop trusting in myself and pray to God instead*

her, help me now to pray and spend some time with you  
her, you are always good in all you say and do  
sometimes I forget that I can share what's on my mind  
please now help me pray to you, knowing that you are king

*It's like an earthworm...*

## **d Showed Us His Love**

While we were still sinners  
God showed us his love  
sending us his own son  
who died for us

*God showed us his love  
When Jesus died for us  
While we were his enemies  
God showed us his love*

How do we know what love is?  
God showed us his love  
sending us his own Son  
who died for us

*God showed...*

While we were lost and without hope  
God rescued us with your great love

Why should we love each other?  
God showed us his love  
sending us his own Son

## stified

When I looked in the mirror, d'you know what I saw?  
I saw someone who had broken the law  
God's perfection is too high for me  
But he made a way for me to be free

Jesus died on the cross - d'you know what he paid?  
The price I owed for how I'd disobeyed  
God's perfect Son took on all my sin  
And he gave us freedom, I'm safe in him

*He came, he lived, he loved, he died  
He rose again, and he justified  
Justified! I'm Justified!  
It's just as if I'd lived Jesus' life*

My life is free from guilt and shame  
I've been justified in Jesus' name  
When I look in the mirror, here's what I see:  
God's goodness looking right back at me

When I heard how Jesus had died in my place  
I had peace with God and joy on my face  
When I look in the mirror, here's what I see:

# Enter Through The Narrow Gate

Enter through the narrow gate, that's what he says  
a squeeze but it's definitely best  
enter through the narrow gate

Jesus tells it very plain so that we hear  
Walk the narrow way that he made clear  
Remember: keep following Christ

*There are two gates, one leads to life  
Choose carefully - it's found in Christ*

Don't follow everyone that you can see  
Jesus will go where you don't want to be  
Remember: you're walking on the easy road

Remember: you're going to the gate that is simple and wide  
Jesus says there is destruction inside  
Remember: seek the narrow gate

*There are two...*

Jesus tells us how to walk the path leads to life  
Finally he warns us and says it is hard to find

## **ong Long Long Long Time Ago**

ong long long long time ago  
d made a promise: he would send a king  
reat great great great great great grandson  
mised to David  
would be a great king who would rule forevermore

*King forever, King for everyone*

*King forever*

*Jesus, the king God had promised has come*

ong long long long time ago  
d sent a prophet to describe his king  
nderful, powerful, peaceful, eternal  
will have a kingdom  
ill have no end, he is the king of everyone

*King forever...*

ttle less long but still quite long ago  
d spoke to Mary: You will have a son  
e great great great great great great grandson  
mised to David  
u will call him Jesus and his kingdom will not end

## Has Risen!

One day when Jesus was alone with his disciples  
he told them of the things to come  
'The Son of Man will die but rise up three days later'  
They didn't understand him, 'What did he say?'  
It all made sense on that third day!

*Jesus! He has risen!  
Death is not the end  
Jesus! He has risen to the throne  
He's coming back to reign*

One day they nailed Christ to a cross, outside the city  
They crucified him with two thieves  
He asked 'Lord, please remember me when in your  
kingdom'  
Those who trust the Son have eternal life  
I will be with you every day with me in paradise!

*Jesus! He has risen...*

One day when Jesus then appeared to his disciples  
They saw the prophecy was true  
He showed his scars so they could see death was defeated
